

Charges were laid against Live Nation Canada Inc., under the Occupational Health and Safety Act ("Act"), as a constructor, for failing to:

Count #1: ensure that every part of a project, including a temporary structure, shall be designed and constructed to support or resist all loads and forces to which it is likely to be subjected without exceeding the allowable unit stress for each material used, contrary to s.31(1)(a) of the Ontario Regulation 213/91, at a project located at Downsview Park, Toronto, Ontario, contrary to s.23(1)(a) of the Act, R.S.O. 1990, c.O.1, as amended.

Count #2: ensure that every part of a project shall be adequately braced to prevent any movement that may affect its stability or cause its failure or collapse, contrary to s.31(1)(b) of Ontario Regulation 213/91 at a project located at Downsview Park, Toronto, Ontario, contrary to s.23(1)(a) of the Act, R.S.O. 1990, c.O.1, as amended.

Count #3: ensure that no part of a project, including a temporary structure, shall be subjected to a load in excess of the load it is designed and constructed to bear, contrary to s.31(3) of Ontario Regulation 213/91 at a project located at Downsview Park, Toronto, Ontario, contrary to s.23(1)(a) of the Act, R.S.O. 1990, c.O.1, as amended.

Count #4: ensure that every employer performing work on a project complied with the Act and its regulations, at a project located at Downsview Park, Toronto, Ontario, contrary to s.23(1)(b) of the Act, R.S.O. 1990, c.O.1, as amended.

Particulars: The Defendant failed to ensure that an employer or employers on the project complied with s.25(1)(e)(iii) of the Act.

Charges were laid against Live Nation Ontario Concerts GP Inc., under the Act, as a constructor, for failing to:

Count #5: ensure that every part of a project, including a temporary structure, shall be designed and constructed to support or resist all loads and forces to which it is likely to be subjected without exceeding the allowable unit stress for each material used, contrary to s.31(1)(a) of Ontario Regulation 213/91, at a project located at Downsview Park, Toronto, Ontario, contrary to s.23(1)(a) of the Act, R.S.O. 1990, c.O.1, as amended.

Count #6: ensure that every part of a project shall be adequately braced to prevent any movement that may affect its stability or cause its failure or collapse, contrary to s. 31(1)(b) of Ontario Regulation 213/91 at a project located at Downsview Park, Toronto, Ontario, contrary to s. 23(1)(a) of the Act, R.S.O. 1990, c.O.1, as amended.

Count #7: ensure that no part of a project, including a temporary structure, shall be subjected to a load in excess of the load it is designed and constructed to bear, contrary to s. 31(3) of Ontario Regulation 213/91 at a project located at Downsview Park, Toronto, Ontario, contrary to s. 23(1)(a) of the Act, R.S.O. 1990, c.O.1, as amended.

Count #8: ensure that every employer performing work on a project complied with the Act and its regulations, at a project located at Downsview Park, Toronto, Ontario, contrary to s. 23(1)(b) of the Act, R.S.O. 1990, c.O.1, as amended.

Particulars: The Defendant failed to ensure that an employer or employers on the project complied with s. 25(1)(e)(iii) of the Occupational Health and Safety Act.

Charges were laid against Optex Staging & Servcies Inc., under the Act, as an employer, for failing to:

Count #9: ensure that every part of a project, including a temporary structure, shall be designed and constructed to support or resist all loads and forces to which it is likely to be subjected without exceeding the allowable unit stress for each material used, contrary to s. 31(1)(a) of Ontario Regulation 213/91, at a project located at Downsview Park, Toronto, Ontario, contrary to s. 25(1)(c) of the Act, R.S.O. 1990, c.O.1, as amended.

Count #10: ensure that every part of a project shall be adequately braced to prevent any movement that may affect its stability or cause its failure or collapse, contrary to s. 31(1)(b) of Ontario Regulation 213/91 at a project located at Downsview Park, Toronto, Ontario, contrary to s. 25(1)(c) of the Act, R.S.O. 1990, c.O.1, as amended.

Count #11: ensure that no part of a project, including a temporary structure, shall be subjected to a load in excess of the load it is designed and constructed to bear, contrary to s. 31(3) of Ontario Regulation 213/91 at a project located at Downsview Park, Toronto, Ontario, contrary to s. 25(1)(c) of the Act, R.S.O. 1990, c.O.1, as amended.

Count #12: ensure that a building, structure or any part thereof, or any part of a workplace, whether temporary or permanent, is capable of supporting any loads that may be applied to it, in accordance with good engineering practices, at a workplace located at Downsview Park, Toronto, Ontario, contrary to s. 25(1)(e)(iii) of the Act, R.S.O. 1990, c.O.1, as amended.

Charges were laid against an individual (engineer), under the Act:

Count #13: did commit the offence of endangering a worker, as a result of his advice that is given or his certification that is made negligently or incompetently, at a workplace located at Downsview Park, Toronto, Ontario, contrary to s. 31 (2) of the Act, R.S.O. 1990, c.O.1, as amended.
